Appendix A6.1 Residential Settlements Within the Proposed Project Study Area

Following a review of the baseline environment within the study area, the following residential development has been added to the overview of the existing residential settlements in the vicinity of the proposed Wastewater Treatment Plant (WwTP), proposed orbital sewer route, proposed outfall pipeline route and associated physical structures, as outlined in Appendix A6.1 in Volume 3 Part B of the Environmental Impact Assessment Report (EIAR) in the 2018 planning application:

- New residential development at Stockhole Lane, Cloghran, Co. Dublin.

Following a review of the baseline environment within the study area, the following residential developments have been added to the overview of the existing residential development in the vicinity of the proposed orbital sewer route, proposed outfall pipeline route and associated physical structures:

- New residential development at Chapel Road, Kinsealy (Kinsaley), Malahide, Co. Dublin;
- New residential development Lands at Marrsfield Avenue, Block 33, North of Father Collins Park, Clongriffin, Dublin 13; and
- New residential development and residential development under construction at Drumnigh Manor, Drumnigh Road, Portmarnock.
